## TOGETHER, LET'S #REDEFINEGIFTING

### Give the Gift of Good!

'Tis better to give than to receive — and 'tis BEST when the gift you're giving has the power to make the world a better place!

Last month, [Ellen shared the exciting news](#) that she's partnering with TisBest Philanthropy for her farewell season. With TisBest, you can give the gift of *good* and allow your friends and loved ones to experience the power of charitable giving. When you gift a TisBest Charity Gift Card, your recipient gets to donate the card's value to the charities of their choice. Some gifts really do keep on giving!

### The Best Gets Better

Recipients of TisBest Charity Gift Cards get to browse over 1.5 million U.S.-registered charities or pick from a curated list (organized by category) while looking for a new cause to support! As the gift giver, you can customize the gift card with pre-designed themes or a special image of your own. And the best part? 100% of the card's value goes straight to the charities of their choice!

This holiday season, you can help spread joy to those who need it most. Let's make the holidays bright and give the gift of GOOD!
